neonatologists are doctors who  
specialize in the care of  
newborn children who can  
present a unique set of health

challenges that require a high  
level of skill and medical  
expertise to treat web the  
meaning of neonatology is a  
branch of medicine concerned  
with the care development and  
diseases of newborn infants a  
branch of medicine concerned  
with the web experimental  
neonatology experimentelle  
neonatologie our research  
focusses on multifactorial  
aspects of development that  
contribute to children s  
disorders various risk factors e  
g malnutrition inflammation or  
prematurity could severely  
impair children s life and we  
now want to unravel the  
underlying key mechanisms to  
understand how web  
neonatology is the medical  
specialty of taking care of  
newborn babies sick babies  
and premature babies the word  
neonatology is stuck together  
from several root words and  
basically means science of the  
newborn neo new natal birth  
ology science of a  
neonatologist is a doctor that  
specializes in the web med

sci web neonatology is a  
subspecialty of pediatrics that  
consists of the medical care of  
newborn infants especially the  
ill or premature newborn it is a  
hospital based specialty and is  
usually practised in neonatal  
intensive care units nicus web  
neonatology is a fairly new  
field of medicine which has  
emerged over the past 50 years  
rapid technological progress  
over recent decades and major  
advances in perinatal  
treatment and neonatal  
intensive care have led to a  
significant improvement in  
survival after premature birth  
particularly at extremely low  
gestations 28 weeks of  
gestation web neonatologists  
work mainly in the special care  
nurseries or newborn intensive

care units of hospitals in some  
cases after a newborn has been  
discharged from the unit a  
neonatologist may provide  
short term follow up care on an  
outpatient basis your  
neonatologist will coordinate  
care with your baby s  
pediatrician web about this
