The comprehensive program allows instructors to choose the content they'd like to present and introduce it in a layout that students can manage. Connect, the proven online experience, adapts to student's learning needs, enhancing the understanding of topics

and developing their sociological imagination. Like its predecessors, the fifth edition of this concise text reflects Rick Schaefer's mission to bring readers a comprehensive, up-to-date presentation that teaches them how to think critically about society and their own lives from a wide range of classical and contemporary perspectives. Combining balanced coverage of theory with current research findings, distinctive social policy sections, examples and issues of interest to students, and abundant learning aids and exercises, this text will help students develop a sociological imagination. "In the aftermath of September 11, 2001, sociology has been called on to explain the social consequences of the attacks.... The introductory sociology class provides the ideal laboratory in which to study our own society and those of our global neighbors. Sociology can help students to better understand the workings of their own lives as well as of their society and other cultures." -- Richard T. Schaefer Never HIGHLIGHT a Book Again! This successful student-friendly program includes strong coverage of race, ethnicity, and globalization. The approachable material encourages students to develop their sociological imaginations and

start to think like a sociologist. Paired with Connect, a personal and adaptive learning experience, students learn to apply sociology's three theoretical frameworks to the world around them. Richard T. Schaefer's Sociology Matters is a concise introduction to the discipline of sociology. Schaefer's characteristic straightforward style, a streamlined design, and highly focused coverage make it the perfect affordable, ultra-brief, introductory text for instructors who use a variety of materials in their course. NOTE: You are purchasing a standalone product; MySocLab® does not come packaged with this content. For courses in Race and Ethnic Relations A History of Misunderstanding: Race and Ethnicity in the United States Race and Ethnicity in the United States explores the complex history of cultural differences in a nation comprised of immigrants. By examining major themes of multiculturalism,

discrimination, injustice, and diversity, the text explores the historical patterns of our country's treatment of people of different faiths, colors, and cultures. The Eighth Edition discusses recent 21st century phenomena in diversity and immigration in the United States, including the rising number of Latino and Asian American youth and the continued discrimination of Native American populations. Providing a broad yet current assessment of our nation's immigration and multicultural patterns, the text serves as a comprehensive source for racial and ethnic studies. Also Available with MySocLab MySocLab for Race and Ethnicity courses extends learning online, engaging students and improving results. Media resources with assignments bring concepts to life, and offer students opportunities to practice applying what they've learned. And the Writing Space helps educators develop and assess concept mastery and critical thinking through writing, quickly and easily. Please note: this version of MySocLab does not include an eText. Race and Ethnicity in the United States, Eighth Edition is also available via REVEL (tm), an immersive learning experience designed for the way today's students read, think, and learn. Richard Schaefer's Sociology Matters is a very concise introduction to the discipline of sociology. Its straightforward style, streamlined design, and highly focused coverage make it the

perfect short, affordable, introductory text for instructors who use a variety of materials in their course. Sociology Matters helps students understand and connect to the topics it covers by answering the question "How does sociology matter?" "After more than 30 years of teaching sociology to students in colleges, adult education programs, nursing programs, an overseas program based in London, and even a maximum-security prison, I am firmly convinced that the discipline can play a valuable role in teaching critical thinking skills. Sociology can help students to better understand the workings of their own lives as well as of their society and other cultures." -Richard T. Schaefer

Accompanys: 9780073404141 . Sociology: A Brief Introduction invites students to take sociology with them in their daily lives. This successful, student-friendly program includes strong coverage of race, ethnicity, and globalization. The approachable material encourages students to develop their sociological imaginations and start to think like a sociologist. Paired with Connect, a personal and adaptive learning experience, students learn to apply sociology's three theoretical frameworks to the world around them. This best-selling Race & Ethnic Relations text is grounded in a socio-historical perspective with engaging stories and first person accounts. Racial and Ethnic Groups helps students understand the changing dynamics of the U.S. population. By using a socio-

historical perspective, the author frames issues by examining our history, exploring the current situation, and discussing the concerns for the future. Racial and ethnic relations in the United States are at a dynamic and exciting time. Major events are shaping our society, such as population and immigration changes, the election of the first African-American president, and increasing diversity throughout our society. This census update has taken advantage of the September 2009 release of the American Community Survey and the information calculated from the 2009 Annual Social and Economical Supplements to the Current Population Survey conducted by the U.S. Census Bureau. The authors have also taken the opportunity to include additional information on the first year of the Obama administration, passage of the Lilly Ledbetter Fair Pay Act, the 2009 Ricci v. DeStefano “reverse discrimination” case, the controversy over the arrest of Henry Louis Gates Jr. in his home, the creation of a new citizenship test, and the addition of Sonia Sotomayor to the Supreme Court. Also, information throughout the text has been updated, including over 40 tables and figures, all top 10 lists, and more. For a visual walkthru of the text, please visit: http://www.pearsonhighered.com/showtell/schaefer_0205683665 Schaefer, Sociology: A Brief Introduction, 7th Canadian

Edition provides students with the tools they need to successfully navigate in today's social world. Accompanys: 9780078026959 . Why Modules? We listened to the increasing demand of instructors for more flexibility with teaching materials. "Sociology in Modules" provides an appealing alternative for those instructors who feel that breaking up each chapter into 2-4 modules would allow them to assign the content they want in the order that they want. This modular format was also created to cater to the way in which students learn. Using an adaptive diagnostic tool to help students identify what they know and don't know, "Sociology in Modules" helps students move towards an understanding of the foundations (theory) of sociology by presenting material in more manageable chunks. Instead of facing long and daunting chapters, modules encourage student reading and end of module pedagogy reinforces key concepts. Richard Schaefer has adapted his proven content to meet

the changing needs of instructors and students. "Sociology in Modules" is the most flexible program for teaching and learning sociology. Prepare your students to take sociology with them...one module at a time. Never HIGHLIGHT a Book Again! Includes all testable terms, concepts, persons, places, and events.
